DISCLAIMER: Solicited and unsolicited ratings issued by Ecomate S.R.L. are: (a) based on the counterparty company data available in the Business Register at the time of issuance; (b) based on an open-standard governed by a decentralized crowdsourced technical-scientific committee; (c) processed by our AI against counterparty input for potential fraud and/or negative events; (d) reviewed by an analyst; (e) not a financial forecasting model and should be only considered as an opinion on how distant the counterparty is from European Union sustainability guidelines and regulations, standards and objectives included in the environmental, social, economic and EU Strategy and Policy 2030-2050, namely that the counterparty company may not be able to face its compliance terms, reporting obligations or even being under ESG litigation or ESG default.

ISSUANCE: Only solicited ESG Ratings that have successfully undergone a formal and substantial verification led by our ESG analysts, are deemed verified, issued and then authorised for public use. Ecomate S.R.L. strictly prohibits the publication or dissemination of unverified solicited ESG Ratings in any external communications, including but not limited to websites, social media platforms, stakeholder reports, or other public channels. Any unverified ESG rating published externally is considered may lead to legal and reputational consequences.

REGULATORY NOTICE: Ecomate S.R.L. is committed to applying for ESMA (European Securities and Market Authority) vigilance of EU ESG rating providers from Q3-2026. During the transitional period, Ecomate S.R.L. is a self-regulating ESG Rating Agency based on up-to-date, rigorous, independent and transparent methodologies where the indications following Regulation (EU) 2024/3005 are fully taken into account.

MFID2/MFIR notice: Ecomate S.R.L. does not provide any financial or ESG consultancy activity nor other potentially conflicting activities and its ESG information does not amount to financial, legal or other professional advice, nor does it constitute: (a) an offer to purchase shares in the enterprises referred to; or (b) a recommendation relating to the sale and purchase of related products/services; or (c) a direct recommendation to take any particular legal, compliance and/or risk management decision.
